We Sell to all Branches of the Banks, Educational Institutions, Government Agencies and Big Businesses

Our customers not only include home furniture consumers, but also include many multinational businesses, universities, colleges, school districts, all military branches and many small to medium sized businesses as well. Why do they shop with us for furniture? Because we deliver service and value to our customers, and have been growing fast and steadily ever since we started our business. Following is the list of part of our satisfied and returned customers, hope you will join them soon:

University of Toronto

University of British Columbia

University of Ryerson

university of regina
