Chair Parts

We are now supplying office chair parts for customers buying replacements or for upgrading or replacement. At present there are arms, gas lifts (gas cylinders), mechanism, seat sliders, arm runners, foot rings, chair bases of nylon and steel, chairs wheels or casters (regular casters and hard wood floor casters) available and we will add more. Please contact for more details.

^

Due to small value of the parts, we can not offer free delivery for the orders of office chair parts only. Shipping fee will be added, please check the shipping fee before placing orders.
